

Image of electrical components	Description	Qty
	Emergency stop button	1
	USB B to B connection	1
	Limit switches	3
	Solderless socket	1
	Solderless socket 2 Alternative power socket. Use Either this socket or the one above. Both are NOT required	1
	Nema 17, 42x40x40, stepper motors with integral ballscrew	1
	Nema 17, 34x40x40, 0.9 mictostep	2
	Dremel 3000	1

	Spade connectors	8
	4 core ribbon cable, 5 meters	1
	8 pin 0.1 terminal block	1
	Power supply 24 volte	1
	USB printer cable	1
	Solderless connectors, either clip or screw block.	2
	G Shield PCB board	1

	Arduino Uno PCB board	1
